## EXPERIENCE

### FREELANCE | FULL STACK DEVELOPER

May 2022 - Present | Miami, FL

### DIGESTIVE DISEASES SERVICES OF SOUTH FLORIDA, PA | IT SUPPORT SPECIALIST

Dec 2020 - Aug 2021 | Palm Springs, FL

- Reviewed diagnostics and assessed the functionality and efficiency of systems.
- Offered technical support to company staff and troubleshooted computer problems.
- Installed and updated company software and hardware as needed.
- After building relations with the IT department, Hector expressed his interest in development. Considering his ability, he furthered his career in development by acquiring a Full Stack Certification from UM.
- During his employment Hector handled front-end code for an in-house application to facilitate customer information entry. He decreased the time to input customer information with the implementation of advanced end-user forms using React.js.

### CRC | EBAY + SALES AND MARKETING COORDINATOR

Aug 2018 - Sep 2019 | South Miami, FL

- Conducted research to analyze customers' behavior (e.g. purchasing habits, trends and preferences)
- Prepared reports by collecting and analyzing sales data.
